

SERVANT FORMULARY'S FORGIVENESS (17 APRIL)

You, disciple of the Most High, that I have struck in your course by My sole Authority to withdraw you from the world's bondage; you that My Father has predestinated; by designing you He gave you to Me, in order that I give you the Key of Heaven, to receive in My Name the mother's fruit. And it is with My Authority that you must teach her, that the Lord is with her in My Servants, that she has to clothe Me and feed Me, until My Body is covered of his nudity in all My members, that she has to rejoice to increase Me in the world.

And to accomplish this Ministry, I beseech you from the world by MY OWN AUTHORITY. I renounce to the bread and beverage that you have eaten in darkness. I tell you: "Come" and (laying hands) I ABSOLVE YOU OF ALL YOUR SINS, and be invested by the VIRTUE OF MY FATHER'S BOSOM from now on, and that your will be attached to Me for ever.

That your spirit of wisdom guide your free body by kindness until the completion of your work, until the completion of the women's fruit, until the completion of my members.

GO! HURRY UP! YOUR LORD IS NAKED: HE IS HUNGER AND THIRST!

MAY PEACE BE ON YOU AND WITH YOU!
