

FORMULA FOR XMAS

On this day of the anniversary of the birth of the first
ointed, Jesus Christ, Lord-Master, please cover with an
efficient and eternal blessing this member of Your visible
body, member subjected to You by the consecration and a free
choice.

Deign, Master, to render him innocence and purity. We
beg you also to forever forget the multitude of his
iniquities so as to forever lose its remembrance and memory,
as You have promised since olden times. Sovereign Majesty of
the Unique and Living God, by the imposition of the hands of
Your servant, please absolve this member of Your body, of all
his faults, voluntary and involuntary; we beg you to deliver
him from all ties and give him back all his debts and sins
and deliver him from all corporal, temporal, mortal and
posthumous punishment.

We pray You, Holy Spirit, to accept his flesh and his
will as Your sanctuary and Your home. Bless the food and
beverage which he will absorb so as to cover Your breath of
life. Grant him the desires of his heart for Your glory, and
give him, Lord, the eternal reward which is to enter paradise
thru the large wound of Your divine side.

May Your graces and blessings rain on him in the name of
Jehovah, father of creation; in the name of Jesus, the son
and of the consecrated born perfect from the womb of future
mothers; and finally , Master, in Your august and glorious
name, Our Lord Eugene Richer dit LaFleche!

May it be so!

Go in peace!
